SOUTH AUSTRALIAN MUSIC CAMP ASSOCIATION INC.

The South Australian Music Camp Association Inc. was formed in 1962 to provide young instrumentalists with an opportunity to play in an orchestra. Since then, Music Camp has become an integral part of the musical life of young South Australian players. Campers from one generation are seen to return either as proud parents of aspiring players, or, occasionally as tutors and conductors.

The value of State Music Camp is to place young players in an environment where they can musically succeed playing a challenging and interesting repertoire. Campers are supported by experienced tutors and conductors who have an empathy with young performers. The success of State Music Camp (formerly May Music Camp) is well demonstrated by the numbers of performers in our community who acknowledge the valuable part that Music Camp, State and National, has played in their musical life.

Concurrent with this Camp, over fifty young singers have been enjoying the pleasures of making music at the State Choral Camp. The two choirs were supported in their efforts by experienced conductors and accompanists and their concert last night proved the value of this initiative.

RICHARD SMITH MEMORIAL SCHOLARSHIP

A scholarship to State Music Camp to commemorate the outstanding service of percussionist, Richard Smith, towards Music Camp over many years has been instituted this year. The award for 1995 has been won by Justin Schulze.

.....

Due to sudden illness, Allan Giles is unable to attend the concert this evening. As Administrator of State Music Camp, he makes an enormous personal contribution to this annual event and we all wish him a speedy recovery.
