The South Australian Music Camp Association, Inc. was formed in 1962 to provide young instrumentalists with an opportunity to play in an orchestra. Since then, Music Camp has become an integral part of the musical life for young South Australian players. Campers from one generation are seen to return either as proud parents of aspiring players, or, occasionally as tutors and conductors.

Concurrent with this Camp, over a hundred young singers have been enjoying the pleasures of music making at the State Choral Camp. The two choirs were supported in the efforts by experienced conductors and accompanists and their concert last night provided the value of this initiative. The South Australian Youth Orchestra was formed as an extension to Camp in 1978. In 1992 the orchestra spent the intensive rehearsal period in Mount Gambier and gave one performance at the Sir Robert Helpmann Theatre, before the Adelaide concert in the Elder Hall. The 1993 season rehearsed in the Riverland town of Renmark.
