## **SOUTH AUSTRALIAN MUSIC CAMP ASSOCIATION, INC.**

The South Australian Music Camp Association Inc. was formed in 1962 to provide young instrumentalists with an opportunity to play in an orchestra. Since then, Music Camp has become an integral part of the musical life for young South Australian players. Campers from one generation are seen to return either as proud parents of aspiring players, or occasionally as tutors and conductors.

The value of State Music Camp is to place young players in an environment where they can musically succeed playing a challenging and interesting repertoire. Campers are supported by experienced tutors and conductors who have an empathy with young performers. The success of State Music Camp (formerly May Music Camp) is well displayed by the numbers of performers in our community who acknowledge the valuable part that Music Camp, state and national, has played in their musical life.

Concurrent with this Camp, over a hundred young singers have been enjoying the pleasures of making music at the State Choral Camp. The two choirs were supported in their efforts by experienced conductors and accompanists and their concert last night provided the value of this initiative.

This year we are proud to acknowledge our President, David Bishop, as a recipient of the Order of Australia Medal.

The late Mr. Stan Roberts contribution to the South Australian Music Camp Association is recognised by naming the newly formed ROBERTS WIND ENSEMBLE in memory of his long and respected association with music camp. Many brass players were introduced to the mysteries and to the rigours of orchestral brass playing by Stan at music camp.
