**ST. PETERS COLLEGE**

**FRIDAY 6TH JULY 1990 AT 7.30 p.m.**

South Australian Music Camp Association was formed in 1962 and a Camp has been held each year since then. This is the fourth Camp entitled State Music Camp as the season had to move from May to July in accord with School Terms.

Music Camp provides an opportunity for young musicians ranging in age from 8 - 21 to gain orchestral experience in an intensive study situation. Some campers return for as many as seven years in succession, thus testifying to Camp's value to the young instrumentalist.

The South Australian Youth Orchestra was formed as an extension to Camp in 1978. The intensive period of study with experienced orchestral players under the leadership of an eminent conductor has proved its value to the cultural life of South Australia.

The 1990 Camp has been most pleasing as the number of campers from rural areas has increased.
